## Vizo Financial & Children’s Hospital of Pittsburgh Foundation Host Educational Event for Pittsburgh Area Credit Unions

**Pittsburgh, Pa.** (March 27, 2018) – Children’s Miracle Network (CMN) Hospitals and Credit Unions for Kids (CU4Kids) are just as much a part of every credit union’s identity as their financial services. That’s why Vizo Financial teamed up with the Children’s Hospital of Pittsburgh Foundation (Foundation) to provide an educational event for Pittsburgh area credit unions to learn more about these organizations.

The event was held at Children’s Hospital of Pittsburgh of UPMC on March 22, 2018, and featured information sessions on CMN Hospitals, CU4Kids and the Foundation, as well as a tour of the hospital. Credit unions also gave testimonials about their uplifting experiences with CMN Hospitals and CU4Kids. In addition, guests were treated to a continental breakfast and networking lunch.

“The goal of this educational event was to show credit unions the impact they have on their local children’s hospital through their involvement with CMN Hospitals and CU4Kids,” said Erin Doan, administration and community relations director for Vizo Financial. “We wanted them to see first-hand that their donations and volunteer efforts go a long way in bringing better medical care to children in their communities.”
