**Female voice:** You said we had some urgent matters?

**Female voice 2:** Yes, we've got a one-million-dollar security investment maturing. We need to reinvest it today before rates go down.

**Female voice:** Agreed. What else?

**Female voice 2:** We've also heard rumors of a Trojan email hitting other financial institutions, so we need to confirm our security measures.

**Female voice:** I'll handle that. I just need to make a quick call.

*Hand picking up phone on desk.*

**Female voice:** Rodney? We need your help.

**Rodney:** I'm on it.

*Mount Rushmore in distance surrounded by green trees.*

*[Music intensifies]*

**Rodney:** Houser, the credit union has a million dollars to invest in the security and I can't do it right now, I have unexpected guests!

**Houser:** You mean for profit investment brokers?

**Rodney:** Houser, lock in the investment they're counting on us!

**Houser:** Almost...done!

Helicopter flying through cloudy sky.

**Young girl's voice on phone:** Dad!

**Rodney:** I'm kind of busy, honey!

**Young girl's voice on phone:** Dad, I need to buy books for the semester. Can you send some money quick?

**Rodney:** I'll do my best.

**Young girl's voice on phone:** Thanks Dad, you're the best!

**Rodney:** The new CECL, or current expected credit loss model is one that every credit union will have to adopt by 2021. Vizo Financial's CECL solution, powered by ARCSys, can help your credit union with the CECL implementation process needed to ensure compliance with the new model, and beyond.

**Rodney:** Through the online software, our solution will allow you to upload and balance your loan data, as well as perform calculations that will give you accurate loss allowance figures. Vizo Financial and ARCSys staff will also be available to provide assistance with data collection, data analysis, modeling and more. Contact your corporate account manager for more information.

**Rodney:** When I come back, I will have a brief interview with Vizo Financial Video Production Specialist Matthew Kiskis.

**Female voice:** Data. Calculations. Modeling and forecasting. Reporting. These things make up the foundation of CECL. These are the hurdles that Vizo Financial can help your credit union overcome with our CECL solution powered by ARCSys. Our CECL service will assist you with building that foundation. We bring the tools and the know-how; you bring the information. Together, we'll make CECL seem easy.

**Rodney:** Welcome back! I'm here with Vizo Financial's video production specialist, Matthew Kiskis. So Matthew, what do you do at the corporate?

**Matthew:** I produce all the video content for Vizo Financial from shooting to editing.

**Rodney:** Very good. I also understand you do some things for credit unions?

**Matthew:** Yes we do. We produce lots of videos for other credit unions. We do animation, live action, in house stuff, also for external use, websites and television commercials.

**Rodney:** Sounds like you could do anything a credit union wants.

**Matthew:** Absolutely. If a credit union can dream it up, we can make it for them.

**Rodney:** There ya have it, folks. If this guy can make me look good, he can make your credit union look good. Until next time, this is Rodney May with Around the Corporate.
