Female Voice 1: For the past eight years it's all the new things coming up like the same day ACH and same day payments and changes in NATCHA in itself.

Female Voice 2: The speakers are engaging and informative and I think that anybody doing anything in the credit union would benefit from it.

Female Voice 3: I highly recommend this conference. It keeps you up to date on rules and regulations and also teaches you new things that might be coming up in the future. And then you get to network with others and learn what they might be doing that you could implement in your credit union.
